

Biological Institute on Kuroshio

Guidelines for use of Accommodation facility

September 2012 Ver.2

1. The Biological Institute on Kuroshio (BIK) establishes certain guidelines for the utilization of the facilities for researchers and students.
2. The researcher / student who plans to use BIK facilities must fill in the '**Application Form**' and propose the need in advance and get permission of institute head.

The application may not be approved or denied the use of the facilities, if;

- i) The purpose of the use does not match the objectives of the institute.
- ii) The purpose of the use is against public order and morals.
- iii) The facilities are already occupied during proposed period of the use.
- iv) The use of the facilities is disadvantageous for the administration of BIK.

3. Application must be submitted via **e-mail** (mail@kuroshio.or.jp) or **facsimile** (+81-880-62-7078) to BIK at least one week before the arrival date.

4. **Accommodation:**

- i) Dormitory type:
 - Two Japanese style rooms (for 10 and 8 persons per each room)
 - One 4 bed room
- ii) Two private single bed rooms

Accommodation fee:

Linen fee: JPY 500

Lodging fee:

Student JPY 500 per person per night (except for private room)

Researcher and Official guest

JPY 1,000 per person per night (except for private room)

Private room JPY 1,500 per person per night

Bench fee: JPY 500 per person per day (all laboratory facilities available)

5. It is appreciated if the work carried out at BIK is duly acknowledged and also we would like to be informed of any publication, conference presentations or reports arising out of the work carried out in BIK in part or whole. The title and abstract of publications may be announced as achievement of BIK.
